FIRE INSURANCE NOTICES, &c. SOUTHERN PROTECTION INSURANCE COMPANY, ALEXANDRIA, VIRGINIA. CAPITAL OVER 350,000 DOLLARS,

AND CONSTANTLY INCREASING. The Charter of this Company offers more favorable advantages to the farmer and others, than any Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium in eash, or by effecting a eash insurance for two years, the insured saves one-eighth of the amount ic would otherwise have to pay; or by becoming a member, and giving a small premium note, the insured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the

combination of the CASH AND MUTUAL PRINCIPLE. This Company commenced issuing Policies against loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospects of future usefulness. The Director: hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not sarpassed by any Company in the U. States. All differences in settlement of losses, may be determined by three disinterested arbitrators of the

County where such loss happened, to be mutually chosen by the insured and the Company. DIRECTORS: H. W. Thomas. James T. Close. Thomas T. Hill. T. B. Robertson. R. H. Carter, Dr. R. H. Stabler, Wm. I will venture to state two very valid reasons why you should buy of me, in preference even to buying or ordering from the factory, as I have yet to hear of the first complaint of any defeet in any Piano sold by meduring the six years I have been in the business.

In the first place, then, I will sell at precisely he same prices charged at the factory, and thus you save freight, insurance, and commissions for receiving and forwarding. In the second place, you leave in one of your Virginia towns the small profit I make upon the

sale, and to that amount, at least, you contribute to the sustaining and fostering trade, industry and enterprise at home, where it is sure to react beneicially upon yourself and others. All of which I respectfully submit to your can-JOHN H. PARROTT. did consideration.

MISCELLANEOUS READING. THE SUNDAY LAW TRIUMPHANT.-The re-

spectable and order loving class of our citizens will rejoice to learn that the Sunday Law has been triumphantly sustained by both judges and jury in this city. On Monday Judge Hoffman decided in a civil suit against the proprietors of the Stadt Theatre, that the law was constitutional. To-day (Tuesday,) in the Court of Oyer and Terminer, the jury, after an absense of twenty-four hours, brought in a verdict of guilty against the notorious Lindenmuller, whose blasphemous Sunday performances at his Odeon, or German Shaker Church, as he called it, have so long been the scandal of the city. We trust that the result of these trials will be to put an end to the abominable desecration of the Lord's Day, so recklessly indulged in by a portion of our foreign residents .- New

During the last eight years the taxable property of the State has increased about \$1,000,000 .-In a few years more it is expected the State will be entirely out of debt.
